Wabi

Designer Alain Gilles
Produzione / Production year: 2022

Descrizione

Wabi è una parola che celebra il piacere della semplicità e la bellezza insita nella naturale imperfezione delle cose. La filosofia Wabi insegna a riscoprire la bellezza di una creazione intuitiva e spontanea.

Il nuovo letto, che porta la firma di Alain Gilles, lo abbiamo amato proprio per la sua apparente imperfezione, che unisce, in un gesto armonico, l'architettura scultorea delle gambe, al netto contrasto materico e morbido dello schienale. Completamente sfoderabile.

Le versioni con rete 180x200 cm e 193x203 cm hanno il piede aggiuntivo centrale di supporto.
Il rivestimento in pelle comporta cuciture aggiuntive.

Struttura - Imbottitura

Testiera in legno imbottito con poliuretano espanso a quote differenziate e rivestito con velfodera accoppiata a resinato 100gr/mq. La parte centrale della testiera è realizzata con imbottitura più morbida per consentire la funzione di schienale sostenendo in modo confortevole l'appoggio della schiena.

Comprensiva di rete con doghe in legno, il giroletto è realizzato in legno imbottito con poliuretano espanso sagomato.

Piedini

In legno massello di frassino spessore 25 mm in finitura sbiancata oppure tinto noce o nero a poro aperto.

Description

Wabi is a word that celebrates the pleasure of simplicity and the beauty inherent in the natural imperfection of things. The Wabi philosophy teaches us to rediscover the beauty of intuitive and spontaneous creation.

We love the new bed designed by Alain Gilles precisely for its apparent imperfection that combines, with a harmonious style, the sculptural quality of the feet with the clear-cut contrast created by the soft and textured headboard. Fully removable covers.

The versions with 180x200 cm and 193x203 cm bed base have an additional central support foot.
The leather covering implies additional stitching.

Structure - Padding

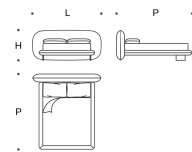

Headboard in wood padded with polyurethane foam and clothed with velfodera coupled to resin 100gr/sqm. Central headboard's part is made with softer padding to allow the backrest function and gives a comfortable support for the back.

Including bed base with wooden slats, the bedframe is made in wood padded with shaped polyurethane foam.

Feet

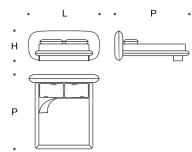

In solid ash wood, 25 mm thick, in blanched finishing or open-pore painted finish in walnut-color or black.

Piedi interni - Rete 153x203
Internal feet - Bed base 153x203

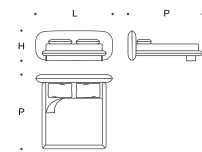

L = 221 cm
P = 243 cm
